TALON | Massaging shoulder spot in AM 8/5

- real good sad boi - always picking up rebound/sad/vulnerable girls.

1st time hi - fuzzy ears, unconscious, return, look around ∴, here forever? dizzy, faint, no respect, hard to stand up/walk, YOU'RE FINE, need to go outside No your time, finally do, can you google this, no its fine, OK - Put my trust into people not worth trusting. First time getting hi after about 2 years / several attempts. Schizo affective, & still trust was not broken / NAIVE ity. Last nights dream turn real, save brother through McCray - HULK. Brother lives forever. (Daylight ~~Afgahnar~~)

Means you're NOT FREE

Jealous Makers
RUFF SHAKERS
Faith Takers
Heart breakers

People do that shit all the time! yeah, its not their fault, YEAH IT STILL HURTS.

Doug knew it
Lucy saw it
'I remember when you USED TO DANCE'

Reality is too hard to accept / forgiveness aint painless...

8/5
midday nap walking w/ bald average & I think McCray.
- 'I can remember everything. w/ my thoughts people could live forever!'
'maybe we don't want to remember everything!'
- so mean, says. I stink! hanging out w/ other people, max a cam - can't find her while drunk
- Discover political scheme, snatch paperwork, chased by multiple men w/ guns through streets, restaurant, club, loading gun was hard, half the bullets were squished.
- 2 nice, real smart, keep trying to escape room, thought I'm tied to snake both bite me @ once / wake up both arms tingling numb.

'craigslist ad' 'gonna have 2 kids in a few months' + diamond butt plug

Such LUCID Nightmares, WTF to think. Is she that fucking fake?
* well, IF I get out, at least I could investigate & just bounce once I KNOW TRUTH.
& I'm learning a good bit of Law. Ch.n up bud, maybe reason for dreams.
demon lady tattoo... I need one! and a child pissing in cup car tat!
The Queen of Hearts! "Man is not to be trusted! McCray, Dennis x2, Shiit Reality sux ass in Jessica: 'a girl broke his heart once, that's all it took!' 'oh, they've broken my heart hundreds of times', that carride ... fun boy bro ... was pretty special - She might've lied just as much as Mick but damn she's strong. baby in jail - shit.

For now, while I'm locked up in 2 cars, mind & body. Can't even escape at dreams fake.

bad names get 2 petition (ok gender openers + good name, oh no, I mean free benefit of unisex names, (but thx :) sesh, sesha rainbow serpent + egyptian goddess of recording. * what should I say to judge.
